

- ### Walks of the National Park...
- Erith Coal Mine Track**  
(1 hr return) Grade: steep  
A short steep walk with woodland, heath and rainforest to the coal seams of the 1860's mines.
  - Echo Point and Lovers Walk**  
(1 hr loop) Grade: easy  
Park at Echo Point, take the Lovers Walk turnoff and on to Bonnie View for a spectacular panorama. Return same way or via road past the Wishing Well and on to Echo Point.
  - Mount Carnarvon Track**  
(30 min return) Grade: easy, some steps  
Park at Echo Point, walk through bushland to the escarpment and return.
  - Fern Glen Track**  
(15 min return) Grade: easy  
Start at Grand Canyon, walk to a ferny rocky area and return.
  - Fairy Bower Falls Circuit**  
(1 hr loop) Grade: medium/steep  
Park at Gambells Rest and follow trail signs to the Fairy Bower Falls Lookout. Return same way or via the Fairy Bower Falls carpark and the road back to Gambells Rest.
  - Tooths Lookout/ Fairy Bower Falls Walk**  
(1.5 hrs return) Grade: steep  
Park at Tooths Lookout, follow track down a steep incline. Turn left onto Fairy Bower Falls Trail to the base of the falls to the base and a lush cool temperate rainforest. Return the same way.
  - Bundanoon Creek Trail**  
(2 hrs return) Grade: very steep  
As above but continue on Tooths trail and onto Bundanoon Creek trail. Cool off in the creek before the steep climb back.
  - Ampitheatre Walk**  
(2 hrs loop) Grade: medium with steps  
Park at Gambells Rest, Take road out of park and turn onto Riverview Rd. Follow Rd to junction, turn right and follow sign to Ampitheatre. Trail takes you under the Fairy Bower Falls. Continue to Tooths Trail and return via the road to Gambells Rest.
  - Riverview Walk**  
(40 min return) Grade: medium  
Park at Ampitheatre. Walk through pretty Fern Tree Gully to Riverview Lookout. Return via Riverview Rd, or for a longer walk, turn right onto Riverview Walk and continue on to Glow Worm Glen and return.
  - Glow Worm Glen**  
(1 hr return) Grade: easy/steep  
Park on William St. Glow Worms only visible after dark. A torch is essential. To protect the Glen, turn off torches to view, keep quiet and stay to the platforms.
